### Why Not Get Rid of Eczema?

If your skin itches and burns with eczema or any such tormenting, slightly skin disease, simply wash the sore places with Resinol Soap and hot water, dry, and apply a little Resinol Ointment. Usually the itching stops INSTANTLY, you no longer have to dig and scratch, sleep becomes possible, and healing begins. That is because the soothing, antiseptic Resinol medication arrests the action of the disease, and almost always restores the tortured, inflamed skin to perfect health—quickly, easily, and at little cost. Prescribed by doctors for over 20 years, and sold by every druggist.
